

## **ARKANSAS SECTION NEWSLETTER**

### **January 3, 2007**

The annual Arkansas Section meeting was held December 30 in Mountain Home, and was attended by all six of the Section clubs – Tontitown, Ft. Smith, Little Rock, Jonesboro, Mt. Home, and Valley Springs. The 2007 Section Championships were scheduled and the formats were planned, all to give shooters in 2007 a very nice competitive venue to look forward to.

Section officers for 2007 are David Hyden – SC, Fred Norwood – Deputy SC, Ron Johnston – Secretary, Tom Loyd – Treasurer, Ryan Hunt – 3-Gun Director, and Mike Collie – Section T-Shirt coordinator.

Speaking of t-shirts, the Section Executive Board has approved an Arkansas Section t-shirt and polo shirt that will be available for purchase in the coming weeks. Only two colors will be available – white or ash. The approved logos will be screened on the front and back of the shirts, and will not be year specific. We believe our Section should be recognized and this logo design is very eye-catching. To place an order, please contact Mike Collie at [collie31@cox.net](mailto:collie31@cox.net). The logos will be available soon for viewing. Proceeds from sales will go to championship match expenses and prize acquisition.

CASA will again host the 2007 Arkansas Section Handgun Championship on May 5 & 6. This year's match will be a one-gun format, 12 stages plus chronograph, and will shooters will be squaded to shoot both days. The entry fee was increased to \$100 in order to have a very NICE prize table. Guns will be awarded to the high overall winner for each division, and the prize table will be by random draw, which will include additional guns. The set-up crew and range officers along will shoot on Friday, meaning dedicated range officers will be on each stage. Range officers may contact David Hyden for further details. Additional match details will be made available at a later date.

OFGC will again host the 2007 Arkansas Section 3-Gun Championship on October 20 & 21. The format will be billed at a "multi-gun" format, and we are tentatively planning three stages each of rifle, shotgun, pistol, and three stages involving two combined firearms. Guns will be awarded to the high overall winner for each division, and the prize table will be by random draw, with even more guns. Additional match details will be available later.

Chris Thomas will be our prize coordinator again for 2007. Chris has done an excellent job in the past of acquiring top-notch prizes, so look for better prize tables at both matches!

I have included the 2007 Arkansas Section Club Shooting Calendar, so please post it on your refrigerator for reference. Here's to each of you wishing a fun and exciting shooting year and I hope to see everyone soon.

Sincerely,  
David Hyden, Arkansas Section Coordinator
